

Derek Firth

Senior National Property Specialist

Campbell River, BC

Overview

Derek Firth is a Senior National Property Specialist based on Vancouver Island. He brings over a dozen years of diverse construction experience from commercial and residential projects in Alberta and gained valuable insights into insurance claims during his tenure in Fort McMurray following the 2016 wildfire.

Since relocating to Vancouver Island in 2019, Derek has navigated through numerous large-loss insurance cases, including fires, floods, windstorms, and structural damages. His consulting prowess spans insurance claims and cost assessment, construction cost consulting, property valuation, and CAT event consulting. Derek is a Haag Certified Reviewer (Level IV) and holds all three certifications as a Haag Certified Inspector (Commercial Roof, Residential Roof, and Wind Damage).
