

Edward Gagne

National Property Specialist

Calgary, AB

Overview

Edward Gagne is a seasoned National Property Specialist with over 20 years of experience managing high-value claims across Canada. Specializing in catastrophic events, including wildfires, floods, hurricanes, and large-scale property losses, Edward is a trusted advisor to insurers, brokers, and stakeholders navigating complex recoveries.

Edward has successfully overseen recovery efforts for commercial, residential, and government properties with claims exceeding \$35 million. His expertise in construction methodologies, building valuations, and restoration processes ensures precise, cost-efficient solutions for clients while coordinating mitigation and rebuild efforts, even in the most challenging scenarios. He holds two certifications from IICRC, as well as a Project Management Certificate from the British Columbia Institute of Technology.
