

Michael Chatterton

Senior National Property Specialist

Markham, ON

Overview

Michael is a Senior National Property Specialist as part of Pario Quantify's Specialty division. He brings more than 35 years of combined experience in construction, restoration, and insurance consulting, demonstrated through an extensive range of certifications. Over the course of his career, Michael has completed hundreds of assignments involving damage appraisal, scope validation, and reconstruction analysis. His background in construction and restoration gives him the field knowledge and analytical precision to deliver accurate, defensible assessments.

Michael is currently advancing to the next stage of his career as an Umpire under Statutory Condition 11 of the Insurance Act, building on decades of experience in dispute resolutions. Recently interviewed for inclusion on a national insurer's Umpire roster, he is recognized in the industry for his composure, neutrality, and commitment to equitable outcomes. Michael is trusted by insurers, adjusters, and legal teams to bring clarity to complex and disputed losses.
