

Paul Brietzke

Director, Pacific Canada

Burnaby, BC

Overview

Paul Brietzke is Director of the Pacific Region at ParioQuantify, responsible for leading regional operations in appraisal, cost consulting, and catastrophe response across British Columbia. Paul has more than 30 years of experience in the restoration and construction industries, recognized for his extensive construction knowledge, trusted relationships, and exceptional leadership.

As a Cost Consultant, Paul has overseen numerous major fire and water losses across British Columbia, including commercial buildings, multi-unit senior accommodations, residential high-rises, row housing, and community centres. He has managed multiple large loss claims totaling more than \$100K and provided damage assessments and scope of repairs for catastrophic events in multiple cities across Canada.

In addition, Paul negotiated and secured bid selection for the Olympic Village at the 2010 Olympic Games in Vancouver. He was responsible for the strategic planning of all personnel, asset management, and transportation for the Olympic Village and other venues.
