

Zachary Hill

Director, Atlantic Canada

Dartmouth

Overview

Zachary Hill is the Director of Atlantic Canada for Pario Quantify. With over 20 years of experience, Zach leads the Pario Quantify team in New Brunswick, Nova Scotia, and Prince Edward Island, providing key oversight to cost consulting services for insurers, municipalities, and legal stakeholders.

With expertise in large and specialty loss projects, Zach has consulted on countless residential, commercial, and industrial projects, supported by an extensive understanding of construction methods, building science, building code, and restoration practices. He is a demonstrated leader in the industry with extensive project management experience, including as Assistant General Manager and Senior Project Manager for a national restoration company.

Zach holds a degree in Geography and Environmental Studies from the University of Waterloo, and he is IICRC Certified in numerous areas, including Odor Control, Water Damage Restoration, Applied Structural Drying, Fire and Smoke Restoration, Applied Microbial Remediation, Certified Bio-Technician, Asbestos Abatement Technician, Asbestos Awareness, Lead Awareness, Silica Awareness, and Infectious Control Awareness.
